Terms Reasonable

John D. Smith, Jr.
1118 Fraternity Building.

Atlantic City, N. J., Nov. 7.—The theory held by Coroner Gaskill that a misplaced rail caused the thoroughfare wreck was strengthened when the jury at the resumption of the inquest today inspected the draw. When the draw was set by the railroad operatives the metal top of the casing, on the rail jammed and did not get into place, and Superintendent Lovell was compelled to knock it in place with a piece of plank.
